

Tokyo2020 Heat countermeasures for Athletes

Sport	Venue	Plan	Note
Sailing	Enoshima Yacht Harbour	Air conditioner	Air conditioner will be installed in both Changing room and Athlete Lounge, which will enable athletes to comfortably stay in those rooms.
		Beverage	Coca-cola will provide beverages such as water and isotonic drink as in the previous editions of the Olympic Games.
		Ice	Based on the result from test event, amount of ice supply per athlete is under consideration. Further detail will be announced in due course.
		Shade	Installation of tents, parasols and chairs currently being considered.
