

**[Olympic (Competition Venues)]**

**Average Travel Time from Olympic Village to Competition Venues (ver.2)**

20 December 2019

- Average Travel Time is calculated on the premise of the implementation of traffic and transport management in Games time.
- Average Travel Time is a reference value and variance of approximately ± 15% is assumed. In addition, delays may occur depending on impact of traffic accidents.
- For some venues, it may be possible to set a separate average travel time after examining carefully traffic conditions on holidays.
- Average Travel Time (ver.2) and variance may change slightly.
