

9 October 2020

Tokyo 2020 is pleased to provide an update on services for athletes and team officials participating in Marathon and Race Walk events in Sapporo.

ACCOMMODATION

- Athletes participating in these events will be accommodated, free of charge, between 31 July to 9 August 2021 at [Sapporo Prince Hotel](#), Nishi 11-chome, Minami 2-jo, Chuo-ku, Sapporo. Further information to be provided once confirmed.
- NOCs with athletes competing in these events will be allocated a specific quota of “Ao” team officials who are also entitled to free-of-charge accommodation at Sapporo Prince Hotel only (not the Olympic Village in Tokyo).

ACCREDITATION

The number of additional “Ao” accreditations for Marathon and Race Walk events is calculated according to **1 x “Ao” per gender, per event, plus based on the total number of “Aa” athletes competing in these events in Sapporo.**

Number of “Aa” athletes	Number of ex-quota “Ao” team officials
1-3	2
4-6	3
7-10	4
11 or more	5

e.g. An NOC with 1 male athlete in Men's 20k Race Walk + 1 male athlete in Men's 50k Race Walk + 1 female athlete in Marathon = 5 team officials

ACCESS ENTITLEMENTS

Sport	ATH - Athletics Venues
Venues	OLV - Olympic Villages Zones
Zones	BLUE, 2, and R Other
Other	TA

- Additional Sapporo “Ao” team officials calculated according to this Sapporo formula are not counted as a part of the total NOC delegation size. Therefore, this will not affect NOC entitlements such as NOC spaces at the Olympic Village in Tokyo, NOC dedicated vehicles, NOC Assistants, etc.
- Whilst these “Ao” team officials will have access to the Olympic Village in Tokyo they will not be allocated a bed there. They are permitted to stay at the Olympic Village if the NOC chooses to accommodate them within the NOC allotment.
- NOCs cannot reallocate these “Ao” accreditations to other sports. If NOCs choose not to use the full allocation of additional Sapporo “Ao” accreditations, they cannot reallocate to other sports.
- Additional Sapporo “Ao” accreditations will not be considered as part of the calculation for 1/All venue access.
- These Sapporo “Ao” team officials have Knife & Fork dining privileges and can therefore access dining services. This also permits access to dining services at the Olympic Village in Tokyo (Main Dining Hall, Casual Dining and Grab & Go).
- These extra team official accreditations are NOT transferable and are excluded from the base number for transferable accreditation transactions.
- Marathon and Race Walk athletes will be allocated beds in both the Olympic Village in Tokyo and Sapporo Prince Hotel.
